A Word about the Concept of Our Camp

The NASA Area NCA Jr. Camp is specifically designed for cheerleader's junior high age & younger. We have a veteran head instructor who will see that the program of instruction is appropriate for all in attendance, including experienced Jr. High squads as well as younger beginner cheerleaders or those wishing to learn the basic fundamentals of cheering. It should prove to be both fun and profitable for all participating.

Emergency Medical

Emergency care will be provided if needed. We **MUST** have a **Participant Release & Waiver** form, signed by the minor child and a parent or guardian, on file for each and every participant in the camp. Parents should complete all of the information requested on the form carefully.

Accident Policy

Cheerleading is an exciting sport in which young people can become quite skilled, and enjoy themselves tremendously in the process. However, as in any other sport, there is always the possibility of injury, even serious injury. At our camps we make every effort to advise and teach our cheerleaders of the many precautions that need to be taken, and of the various safety measures that should be employed as a part of their cheerleading. But in spite of all this, accidents do invariably occur. In case of accident, your own family insurance or your own resources will be responsible for payment of any expenses incurred. **PLEASE BE SURE TO TAKE NOTE OF THIS POLICY AND BE PREPARED TO COMPLY.**

Photographs

Pictures will begin on the first day of camp. Sponsors please collect the money from your students and have payment ready at registration when you schedule your appointment. Direct any questions to the photographer listed on the separate photo sheet as they are a separate entity from Southwest Camps. See our website for Judy Smith's order form.

What to Bring

Bring a small amount of money for snacks & drinks if desired. Bring the Participant Release & Waiver form, signed by both the student and a parent or guardian. Sponsors need to bring their completed Team Tracking form and the Adult Release & Waiver form. These need to be completed and signed in advance. *Please do not wait until registration to fill out the forms.*

It is very important that you also read the **IMPORTANT CAMP INFORMATION BOOKLET.** It contains important information concerning final camp payments, rooming information, cancellations & refunds information and much, much more! You must check our website for registration forms, camp rules and frequently asked questions. (www.southwestemblem.com)
